|--------------------------------|---|--|---|---|---|
| | <p>Grab a football or balloon. Count how many keepy-uppies you can do with your feet, hands and head. Now try with just your head and feet. Now with just your feet. Now switch between right and left feet. Master as many skills as you can in 10 minutes!</p> | <p>Put on your favourite music and start dancing. One person is in control of the music. Whenever they pause it, freeze and make a pose. When the song ends, play someone else's favourite! Keep dancing and posing for 10 minutes.</p> | <p>To get started, build your course. Find 6 toys, cushions or hats and place them in a line with 2 steps between them. With a football in your hands, take big lunges forward over the toys and raise the ball above your head. Bring your feet back together and the ball to your chest. Keep going until the end of your course. Next, put the football down in front of your feet and test your agility by dribbling the ball through the course.</p> | <p>Grab some cushions, clothes or even pieces of paper to be the hippos, then lay them out across the floor. Make sure they're not too far apart. When you're ready, start your crossing! Crouch down like a frog and leap over the first hippo. When you land back on the floor, keep hopping to stay out of the mud! Make your way across the mudhole, leapfrogging over the hippos until you reach the other side. Once you've made it to the other side, turn around and cross back, leapfrogging the hippos again.</p> | <p>Find something to play music on and choose a DJ. Start dancing and do your best moves! When the DJ stops the music, you all freeze. If you don't stop as soon as the music does, then you must do 20 star jumps to warm yourself back up and melt the ice!</p> |
| Foundation subjects | <p>Science The Animal Kingdom LO: I know some families of invertebrates. https://classroom.thenational.academy/lessons/which-animal-families-are-invertebrates-ctgk4r (Missed last week due to snow day)</p> | <p>History (Topic) Changes within living memory. LO: How have toys changed (pt2) https://classroom.thenational.academy/lessons/how-have-toys-changed-part-2-6cuk4c</p> | <p>R.E What does it mean to belong to a faith community? LO: I can recognise symbols of belonging for Christians.</p> | <p>Science The Animal Kingdom Which animal families are vertebrates. https://classroom.thenational.academy/units/the-animal-kingdom-3cfa</p> | <p>Art LO: I can mix and use colour in my drawings/paintings. https://www.bbc.co.uk/iplayer/episode/m000k4ng/celebrity-supply-teacher-series-1-9-ricky-wilson-art</p> |
| Fun/optional activities | <p>Science, nature and art. Try one of these nature based activities at home- https://www.woodlandtrust.org.uk/blog/2020/03/kids-nature-activities-self-isolation/</p> <p>Make a wormery- https://www.woodlandtrust.org.uk/blog/2020/05/how-to-make-a-wormery/</p> <p>The Wildlife Trust has lots of activities you can do at home, in your garden or when you go for a walk. Have a look at the website https://www.wildlifewatch.org.uk/activities or you could just see if you can spot any of the things on this sheet when you go for a walk https://www.wildlifewatch.org.uk/sites/default/files/2020-07/nuts.jpg</p> <p>Mindfulness/wellbeing Pencil Disco Take a pencil and hold it above a piece of paper. Play some music and close your eyes. As the music plays, allow the hand holding the pencil to move across in time with the music. Take a look at your creation!</p> | | | | |

Happiness Flower

Can you draw a simple flower and fill the petals with things that make you feel happy?
